SHERCO FUEL PUMP GUARD INSTALLATION INSTRUCTIONS

1. If your bike has a half tank of fuel or less, lean the bike on its side to get all of the fuel to the right side of the tank. If your bike has more than a half tank of fuel you will need to drain the fuel to half or less. (FIG1)
2. Using an 8mm socket or T-Handle, remove the two outer bolts holding the fuel pump to the tank. (FIG 2)
3. Align the EE fuel pump guard with the two mounting holes for the bolts that were just removed in step 2. Be sure to have the Enduro Engineering logo facing out. Use a 4mm Allen wrench to install the supplied 5x20 bolts into the mounting holes and tighten. (FIG 3)
4. Have fun and enjoy your next ride.

WARNING AND DISCLAIMER

All parts manufactured, designed or sold by Enduro Engineering, Inc. (EEI) are to be installed by a licensed motorcycle dealer or a licensed motorcycle technician, Motorcycles can be dangerous. Serious injury, death and property damage can result from the use of motorcycles. This risk is increased by improper installation or misuse of after marker parts. EEI's customers must exercise good judgement in the use, control, alteration, part selection and installation, and maintenance of their motorcycles. In the event of a possible defect in material or design, or any other defect in a part manufactured, designed or sold by EEI, the responsibility of EEI is limited either a refund of the purchase price or the replacement of the part if EEI determines the part to be defective, and subject to EEI's inspection of the part within thirty (30) days from the date of purchase. (Note: any attempted repairs or modifications made to EEI Products will void this limited warranty.) EEI, under no circumstances will be responsible for incidental and/or consequential damages, property damage, personal injury damage, or damage, injury, cost or expense of any kind or nature whatsoever. By purchasing as product or a product sold by EEI, you (1) acknowledge the above disclaimer and agree to its terms; (2) agree that any claim brought against EEI arising from and/or pertaining to or otherwise related to a part manufactured, designed or sold by EEI must be brought in the Michigan State Courts located in the County of Ingham or in the Federal District Court for the Western District of Michigan and the Michigan law shall apply on all issues; and (3) any claim against EEI must be brought within one (1) year of purchase of the product. EEI makes no other warranty, express or implied, including without limitation any warranties of merchantability and fitness for a particular purpose.
